

STEYR ELITE

STEYR ELITE

STEYR ELITE – The ultimate precision rifle, based on the proven SBS system. It has a dual row of front locking lugs to absorb extremely high pressure. Moderate of weight and compact in size it features a cold hammer forged match grade barrel.

The STEYR ELITE is equipped with an extended Picatinny rail (Mil. Std. 1913) which permits easy attachment for a wide range of optical and night vision aiming devices. The fully synthetic stock has an integrated bipod, adjustable cheek piece and butt plate.
